Stainless steel hand rail for BADU®JET vogue

Transform your counter swim unit into your own personal masseur and rejuvenate your muscles and joints after a long hard day! Choose between the various types of massages such as a pin point or pulsating massage by simply alternating the attachment on the nozzle or the optional 1.50 metre massage hose. Upgrade your BADUJET fitness unit according to your preferences and needs. High quality stainless steel handles are also available for added stability.
Sensual experiences for body and soul.
