## **BADU**<sup>®</sup> EasyFit connection set 3

Connection set 3: compatible with Hayward® "Super Pump®" pumps among other brands of pump.

With the BADU EasyFit the often time-consuming task of installing a new circulation pump into an existing filter unit is a thing of the past. The self-priming pump fits with six different connection sets and flexible pump feet in almost every unit, regardless of the manufacturer!

Here you will find our product video.
