BADU® JET Riva 230 V

The power of the BADUJET Riva offers that something extra for the active sporty type: the powerful counter pressure from an adustable, swivelling nozzle transforms the pool wall into a distant shore and allows you to swim without having to turn. After a workout the wave and bubble bath or underwater massage provide well-earned comfort and relaxation.

The integrated LED light is available in multi-colour or white and bathes your surroundings in a soft and tranquil light. The attractive design of the unit can be complemented with an easy-care, high quality, wood-look design inlay.

Here you will find our product video.

Details

Class: PREMIUM
Extras: Geübter Schwimmer
LED: LED multicolor, LED weiß

Motor performance in kW (P2): 2,20
Pool equipment: Counter swim units
Pump flow rate in m³/h: 54
Verwendung: Nachrüstung

Materials used

Innenteile: ABS / Edelstahl
Suction/pressure line: PVC/ABS

Field of application

As an upgrade for all above ground and built-in pools, as a conversation piece, for fitness training, as a wave or air bubble bath, for underwater massages (consult physician), for endless no-turn swimming, even in the smallest pool.

Design

Water is drawn in through the suction inlet at the bottom of the unit using a powerful pump and led back into the pool through a strong jet via an adjustable nozzle.
