BADU® JET Perla 230 V

A powerful and efficient system designed to boost fun and freedom in medium-sized pools. A 60 degree directional swivel nozzle controls the flow volume to meet all your requirements from relaxation to high powered sport. By adjusting the power switch, pearly air bubbles can also be introduced.

The integrated LED light is available in both white or multi-colour and creates the perfect atmosphere to enjoy a restful and sensual evening in the glow of your pool. The BADUJET Perla can be fitted with an easy-care, high quality, wood-look design inlay.

Here you will find our product video.

Details

Class: PREMIUM
Extras: Aquafitness, Aquafitness
