

# BADU<sup>®</sup> JET Stella 400 V

Feel the overwhelming class and power penetrating through the jets of the Stella. The sheer strength of the two swivelling nozzles will motivate and push you to your limits even as a highly determined athlete! Thanks to the adjustable flow rate you can adapt the system to your specific needs and to the size of your pool.

It goes without saying that this power packet also offers the complete range of pampering you deserve! The LED ambient lighting provides the perfect conditions for late-night exercise or for a relaxing end to the day in your dream pool. Upon request the BADUJET Stella can be fitted with an easy-care, high quality, wood-look design inlay.
