

# Multipurpose pump SGM 200

All wetted parts in the SG/SGM self-priming centrifugal pump range are corrosion-resistant. The motor bearings are lubricated for life. The maintenance-free mechanical seal is designed for continuous operation. The single phase version SGM is fitted with an on/off switch in the terminal box as well as a 1.5 m cable with a shock proof plug.

## Details

Flow rate Q in m<sup>3</sup>/h: max. 4

Motor performance in kW (P<sub>2</sub>): 0,88

Total head H in m WS: max. 50

## Field of application

Rainwater utilisation

## Miscellaneous

Special voltages
