Piston pump BS 40

Piston pumps with electrically isolated motor drawn rocker, V-belt pulley, V-belt, membrane safety valve (type tested), poppet valve and belt guard.

Details

Flow rate Q in m³/h: max. 4
Motor performance in kW (P2): 0,75
Total head H in m WS: max. 60

Field of application

> Water supply
> Agriculture
> Rainwater utilisation
> Industry
> Shipping

Miscellaneous

> Saline water
> Higher performances
